“He it is Who has raised among the Unlettered people a Messenger from among themselves who recites unto them His Signs, and purifies them, and teaches them the Book and wisdom, although they had been, before, in manifest misguidance; And among others from among them who have not yet joined them. He is the Mighty, the Wise.”

WRITINGS OF THE PROMISED MESSIAH (AS)

AL WASIYYAT ROOHANI KHAZA'IN

“Hearken ye who have ears to hear: What is it that Allah requires of you? Only this that you should become His alone and set up no equal with Him, neither on this earth nor in heaven. Our God is the One Who is alive today as much as He ever was. Likewise, He speaks today as He did in the past; He hears as He used to hear. To think that He only listens but does not speak in this age is a vain belief. Indeed, He both hears and speaks.

All His attributes are eternal and everlasting. None of his attributes were ever suspended, nor will they ever be. He is the same Unique Being Who has no associate. He has neither son nor wife, and He is the same Eternal Being Who is peerless, and there is none like unto Him..... There is no one similar to Him in His attributes; none of His powers ever wane. He is near, yet far; distant, yet close..... He is the Highest of the high, yet it cannot be said that there is anyone below Him (farther than He).

He is in Heaven, but it cannot be said that He is not on earth. He combines in Himself all the most perfect attributes and manifests the virtues which are truly worthy of praise. He is the Fountainhead of all excellence. He is the All Powerful. Everything good originates from Him and to Him all things return. All possessions belong to Him, and in Him all excellences combine. He is free from blemish, without weakness. He is Unique in His right to be worshipped by all who dwell on the earth or belong to heaven. “

GUIDANCE FROM

HAZRAT^{AA} KHALIFATUL MASIH V

“20th February is the day when the Promised Messiah, having received the news from God, foretold the birth of a son and published an announcement to that effect.

This announcement mentioned various attributes of the Promised Son and was published on 20 February 1886. It is in this context that we hold celebrations on 20th February, or on an alternate date if this date is unfeasible.

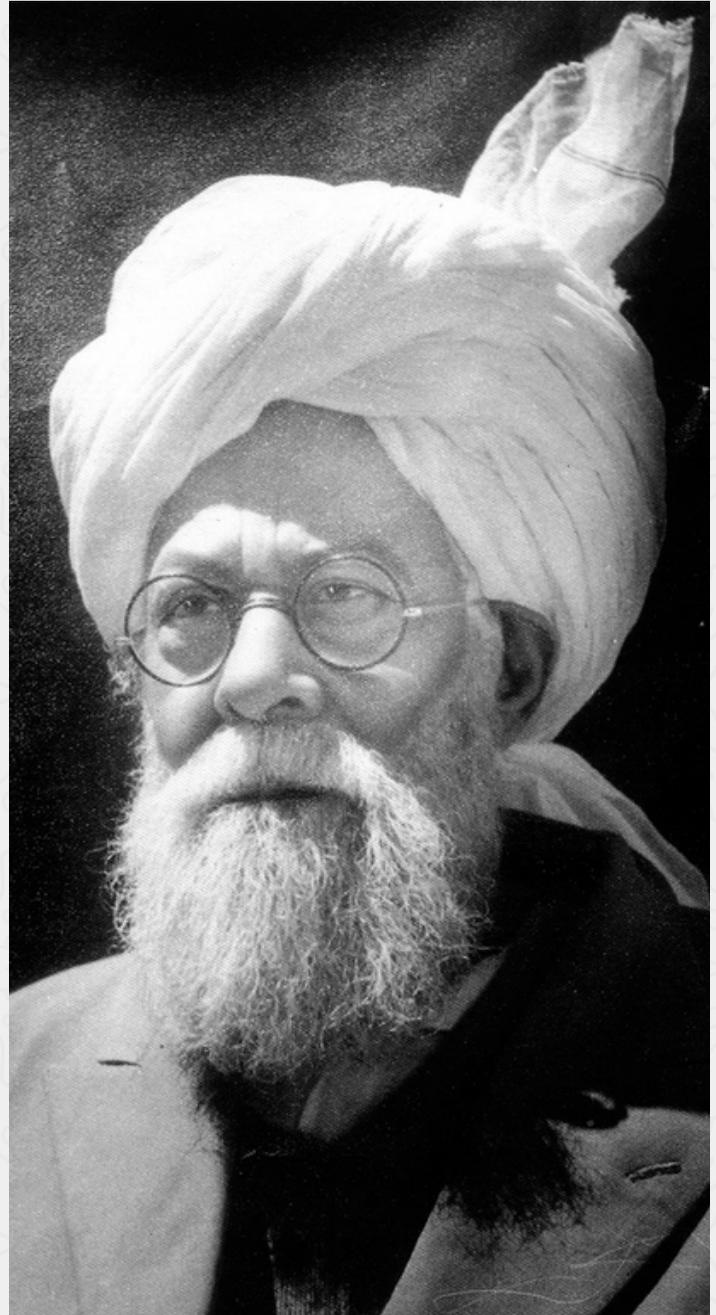

We celebrate Musleh Ma’ūd (ra) Day and hold Jalsas in celebration of the fulfilment of a great prophecy, and not to celebrate the birth of Hadrat Bashirud-Din Mahmud Ahmad, Hadrat Khalīfatul Masīh II (ra)

I thought it necessary to explain this because some young people sometimes ask why, when we celebrate Musleh Mau’ūd Day, do we not celebrate the birthdays of other Khalīfas. So it should be clear that this day is not the birthday of Hadrat Musleh Mau’ud, who was born on 12 January 1989. “

PROPHECY
REGARDING

HAZRAT MUSLEH MA'UD

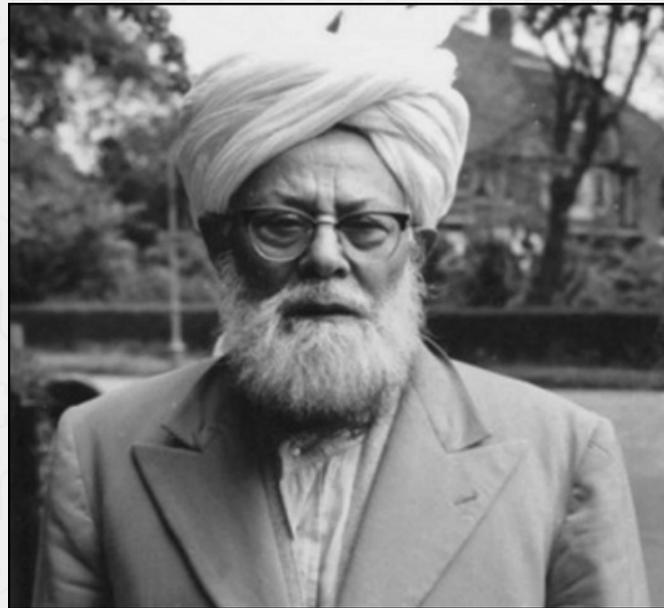

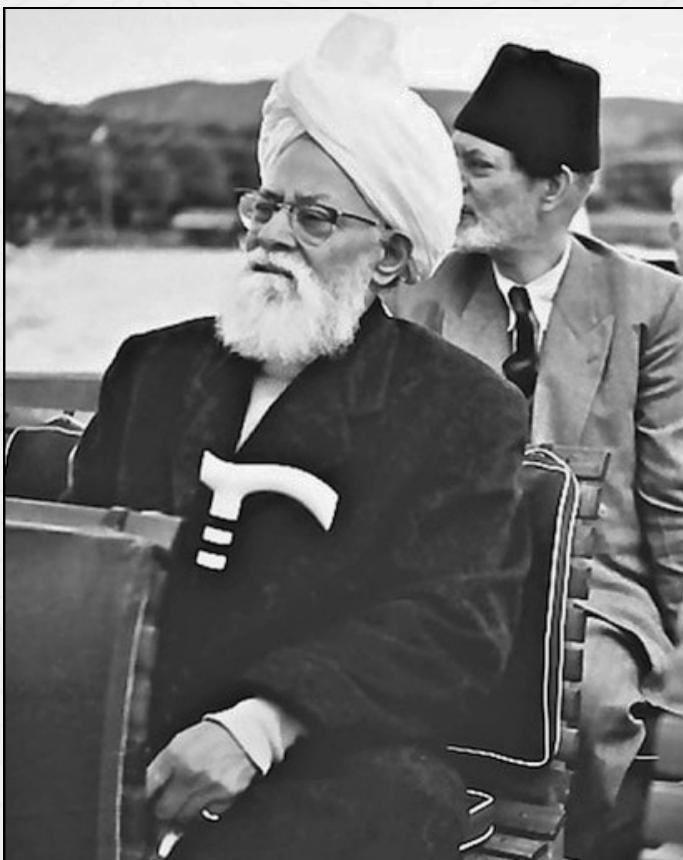

“The first prophecy which God, the Merciful and Noble, the Magnificent and High, Who has power to do all that He wills (glory be to Him and exalted be His name) addressed me in a revelation and said ‘I confer upon you a Sign of My mercy according to what you begged of me. So I have heard your entreaties and have honoured your prayers with My acceptance through My mercy and made your journey (i.e. the journey to Hoshiarpur and Ludhiana) a source of blessings for you. Therefore, a Sign of power, mercy, nearness is bestowed on you, a Sign of grace and beneficence is awarded to you and you are granted the key of success and victory.

Peace on you, O victorious one. Thus did God speak so that those who desire life may be rescued from the grip of death and those who are buried in the graves may come out of them and so that the superiority of Islam and the dignity of God’s Word may become manifest unto the people and so that truth may arrive with all its blessings and falsehood may flee with all its ills, and so that people may understand that I am the Lord of Power – I do whatever I will – and so that they may believe that I am with you, and so that those who do not believe in God and deny and reject His religion and His Book and His Holy Messenger Muhammadsa, the Chosen One may be confronted with a clear Sign and the way of the guilty ones may become manifest.

Rejoice, therefore, that a handsome and pure boy will be bestowed on you; you will receive an unblemished youth who will be of your seed and will be of your progeny. A handsome and pure boy is coming as your guest. His name is Emmanuel and also Bashir. He has been invested with a spirit of holiness, and he is free from all impurity. He is the light of Allah. Blessed is he who comes from heaven. He will be accompanied by grace which shall arrive with him. He will be characterised with grandeur, greatness and wealth. He will come into the world and will heal many of their disorders through his Messianic qualities and through the blessings of the spirit of holiness.

He is the Word of Allah for Allah's mercy and honour have equipped him with the Word of Majesty. He will be extremely intelligent and perceptive and will be meek of heart and will be filled with secular and spiritual knowledge. He will convert three into four (of this the meaning is not clear).

It is Monday, a blessed Monday.

THE EXISTENCE OF GOD

AS PROVEN BY THE MUSLEH MA'UD PROPHECY

THE EXISTENCE OF GOD

AS PROVEN BY THE MUSLEH MA'UD PROPHECY

A question that is often asked by young people today is, "What is the proof for the existence of God?" There are many ways to answer this question. Some like to give intellectual arguments. Others like more philosophical arguments. A search on Google or YouTube will provide you hundreds of links to debates where theists and atheists have argued over these issues for hours.

As Ahmadi Muslims, one argument that we can present very forcefully is that of the Quran itself. This is a book that is the Word of God and has a challenge for anyone to produce its likeness. The Promised Messiah (as) has elaborated this argument extensively in his book, Baraheen-e-Ahmadiyya. The fact that no one has ever been able to produce anything like the Quran is a remarkable, undeniable proof of the fact that it is indeed the Matchless Word of God Almighty.

Another argument that we can present is that of the prophecy of Musleh Ma'ud(ra) (the promised son of the Promised Messiah (as) which was fulfilled in the person of Hazrat Mirza Bashir-ud-Din Mahmud Ahmad (ra). A common question that atheists often ask when we present prophecies as proof of the existence of God is, "What's so great about prophecies? There have been people like Nostradamus who also made prophecies. Does that mean he got those prophecies from God?"

In order to present this argument for the existence of God based on prophecies, we have to first understand how this argument is formulated. Hazrat Musleh Ma'ūd (ra) has himself written a book on this topic, Hasti Bari Ta'ala, where he has elaborated many arguments for the existence. There is one argument, however, that Huzoor argues is the best argument.

According to this argument, each attribute of God Almighty is an evidence for His existence. The way each attribute manifests itself proves His existence. How do we see this manifestation of attributes? The best place to find this manifestation is in the lives of the prophets of God. For our purposes, the attribute that applies is Aalimul Ghaib (Knower of the unseen). According to this attribute, God is a Being who knows everything, including the future. He can let one of His prophets know something about the future that no human can possibly know and this proves His existence. This attribute of God is elucidated in the following verse of the Quran:

[72:27] He is the Knower of the unseen; and He reveals not His secrets to any one,

[72:28] Except to him whom He chooses, namely a Messenger of His. And then He causes an escort of guarding angels to go before him and behind him.

عِلْمُ الْغَيْبِ فَلَا يُظْهِرُ عَلَىٰ غَيْبِهِ
أَحَدًا ﴿٢٧﴾ إِلَّا مَن ارْتَضَىٰ مِن
رَّسُولٍ فَإِنَّهُ يَسْلُكُ مِن بَيْنِ
يَدَيْهِ وَمِنْ خَلْفِهِ رَصَدًا ﴿٢٨﴾

What this means is that the Prophets are given knowledge that is coming from Allah and that is about the future. To put this in perspective, even to predict tomorrow's weather conditions with all the technology at our disposal today is not easy to do. How often do such predications about the weather go wrong, even nowadays?

Comparatively, we have the Holy Prophet (sa) telling us 1500 years ago that in the latter days, there will be a Promised Messiah (as), and he will get married and he will have a son. It is impossible to think that a human being could say this about anything that far into the future? This is not the prediction of a man. It is the prediction of the Aalimul Ghaib, God Almighty!

The Promised Messiah (as) says: “God, the Exalted, does not reveal clear and unambiguous matters of the unseen on anyone other than His Prophets. And it is clear that publication of a prophecy with full explanation, along with the claim, and then its complete, vivid fulfillment as described – what other feature can a bright Sign have?”

When we look at the Musleh Ma’ud (ra) prophecy in detail, we discover that the very purpose of this prophecy is to prove the existence of God, as it is stated within the prophecy:

““

... I do whatever I will, and so that they may believe that I am with thee, and so that those who do not believe in God and deny and reject His religion and His Book and His Holy Messenger Muhammad, the chosen one (on whom be peace) may be confronted with a clear sign and the way of the guilty ones may become manifest. Rejoice, therefore, that a handsome and pure boy will be bestowed on thee.

””

Hence, it is this manifestation, or, in other words, this display of the knowledge of God, which is beyond human powers. It is this demonstration of the Power of God to do what He says, that is not possible for a man to do. This, in fact, proves to us that God exists without a doubt!

As humans, it is impossible for us to even predict whether we can have one child. The prophecy of Musleh Mau'ud does not just predict the birth of a child. Instead, it predicts the birth of a child with 52 qualities! This is not the work of a human! This is the work of the Aalimul Ghaib – The Knower of the Unseen – God Al-Mighty!

Guidance From

Regarding The Palestine Situation

NOVEMBER 24TH 2023

His Holiness (aba) urged to continue praying for Palestinians. May Allah grant them salvation from the oppression they are facing. There is currently a pause in fighting so that essential materials may reach the people. But what will happen afterwards? Will they kill those people after rendering them aid? Israel's intentions seem dangerous. One of their government advisors said that if fighting did not immediately commence after this pause, then he would leave the government. This is their mentality. Big powers do apparently express sympathy, but they do not wish to act with justice and are not serious in this matter. They think

this will remain contained to that area, but those who are wise have started saying that the war will not remain confined to just that region, rather will spread abroad to their countries as well. Muslim nations have started raising their voices, such as the Saudi king, who said that Muslims must unite and have one voice. The Muslims will certainly have to do so, and this will require a concerted effort. May Allah the Almighty enable this realization of theirs to come to practical fruition as well. His Holiness (aba) said that a great deal of attention must be given to offering prayers.

DECEMBER 1ST 2023

His Holiness (aba) urged continued prayers for the Palestinians. His Holiness (aba) said that after the pause in fighting, there will be indiscriminate bombardment upon them once again, as a result of which more innocent people will lose their lives. What will be the extent of this cruelty? Only Allah knows best. The intentions of the greater powers for them are very dangerous. Hence, we must pray a great deal for them, that Allah the Almighty has mercy.

DECEMBER 8TH 2023

His Holiness (aba) again urged continued prayers for the Palestinians. In recent days, after the pause in fighting ended, exactly what was expected is taking place now. The Israeli government is bombarding and attacking every part of Gaza with even greater force than before. More innocent children are being martyred. Now, even a Jewish representative of Congress in the United States has said that this is enough and that the United States must play its part in bringing this to an end. The President of the United States is also saying in hidden terms that this firing must end which is taking place in the North and the South simultaneously. Before it used to be said that nothing would be done in the South yet there are now attacks there too. We should not make the mistake of thinking that the words of the American President are not the result of any sort of compassion for humanity, rather these words are for his own benefit, seeing as elections are coming up in the United States, and the younger population is calling for a ceasefire, as are Muslim Americans. Hence all this is being done to win votes, otherwise there is no compassion for Palestinians or Muslims. His Holiness (aba) said that the voices of Muslim countries are beginning to gain some strength, however until they unite and call for a ceasefire, there will be no benefit. May Allah establish unity among Muslims.

His Holiness (aba) said that the non-Muslim world knows that there is no unity in the Muslim world, rather Muslims are killing each other. Thousands of children and innocent people are being killed at the hands of Muslims. This emboldens non-Muslims, who think that it is fine to inflict cruelties on Muslims, seeing as they inflict cruelties on themselves. When Muslims do not care for the lives of Muslims, then why would the enemy? God has strictly warned in the Qur'an against the taking of life of other Muslims, and has rendered a Muslim who does so to be hellbound. His Holiness (aba) prayed that Muslims unite and become a means of ending injustice rather than fighting amongst each other.

His Holiness (aba) said that the UN has tried raising its voice, but who listens to them? They say this will do this and that, but they cannot do anything because there is no one who listens to them. The major powers exert their rights. His Holiness (aba) prayed that may Allah have mercy upon the Muslims. His Holiness (aba) said that in order to end these cruelties, we must pray while also calling on politicians to raise their voices to end these injustices. Similarly, we must convey the same message among our contacts. His Holiness (aba) prayed that may Allah save the innocent from injustices

DECEMBER 15TH 2023

His Holiness (aba) urged continuous prayers for the Palestinians. The cruelties are exceeding all bounds and increasing by the day. May Allah bring the oppressors to task and create ease for the oppressed Palestinians. May he grant the Muslim countries reason and understanding that they must unite as one voice so that they may be those who strive to uphold the rights of their Muslim brethren.

DECEMBER 22ND 2023

His Holiness (aba) again urged for prayers for the people of Palestine. May Allah enable the world to truly take action against injustice. Although more voices are being raised and people say that injustices are being perpetrated, however, it seems that everyone is afraid of the Israeli government. Either that, or the Western world is naturally against the Muslim world and harbours hatred against them, due to which they do not wish for the injustices against them to end, or are not taking the necessary actions to bring the injustices to an end. They do not consider that these injustices are being perpetrated against innocent children, women and the elderly. Hence, we cannot fully trust them, however, we must continue striving to help them understand and we must also continue to pray. May Allah enable the Muslim world to bolster its voice so that they may raise their voices and bring an end to these injustices.

JANUARY 5TH 2023

His Holiness (aba) reminded everyone to keep the people of Palestine in their prayers. In their own circles, everyone should speak up in favour of the Palestinians and inform people, especially politicians. It does not seem like Israel is going to desist from their unjust ways. In fact, they sent a message to their soldiers saying that the war will continue into 2024. May Allah the Almighty have mercy on the Palestinians. It is also said that there is a threat of the war spreading throughout the region, which could then lead to a world war. They have started bombardment around Beirut. They only seem to be increasing, despite the fact that the USA has been advising them to scale back their attack. However, these too seem to be mere words and futile voices. It seems as if their real purpose is to eradicate Palestinians from Gaza and then take over that land. May Allah the Almighty have mercy on the Palestinians and also grant reason and understanding to the Muslims and enable them to hear and accept the call of the Imam of the Age.

JANUARY 26TH 2023

His Holiness (aba) said that these days we should keep the Ahmadis of Yemen in our prayers, as they are enduring very difficult circumstances these days. Furthermore, His Holiness (aba) urged prayers for the Muslim world, that may Allah enable them to establish unity and grant them wisdom and understanding. His Holiness (aba) said to pray for the general state of the world, as it hurdles towards a world war; may Allah have mercy.

JANUARY 19TH 2023

His Holiness (aba) again urged prayers for Palestine. His Holiness (aba) said that the state of Muslim nations is such that instead of uniting to help the people of Palestine, they have started fighting among themselves. It has been reported that a conflict has started between Pakistan and Iran and both have dropped bombs on each other. This is the dangerous situation that is playing out. His Holiness (aba) prayed that may Allah grant Muslim nations and leaders wisdom and understanding. May Allah grant them the ability to understand their purpose and may they become a united people.

FEBRUARY 2ND 2023

His Holiness (aba) again drew attention towards prayers for the general state of the Palestinians. His Holiness (aba) said that there is some news that efforts are being made to end the fighting in Gaza and perhaps the Israeli government may agree to this. However, the chances of a war breaking out at the border of Lebanon seem to be increasing, which would impact the Palestinians in the West Bank. There is no trace of justice in the Western governments. Now, Western writers are openly declaring that the injustices have exceeded all bounds. The US President is fanning this war only to improve their own livelihoods, as doing so increases their income through the arms trade. Now, their own analysts say that the US is trying to extend this war in order to better its own economy. They do not realise that they cannot avoid the wrath of God Almighty.

Through prayers and reaching out to their contacts, Ahmadis must play their part. Recently there was also news that the US and UK stopped funding a UN agency that renders aid. They refused to do so upon the pretence that 11 or 12 members of Hamas were involved with them and said that thus they should not help the Palestinians. This was nothing but a ploy to force their hand. But it is astounding that if the Western world has stopped their aid, there is no news that those countries with the wealth of oil have announced anything saying that they will help render aid instead. The UN agency has announced that if they do not receive any help, then they will not be able to provide any aid beyond the month of February.

His Holiness (aba) prayed that may Allah the Almighty enable the Muslim countries to play their part and may the disorder in the world come to an end. Now the threat of a war with Iran is also increasing. His Holiness (aba) also urged prayers for the Ahmadis of Yemen. One of our Ahmadis who had been imprisoned passed away in captivity due to not receiving adequate medical attention. It is difficult to obtain details, however His Holiness (aba) urged for prayers. His Holiness (aba) said that he would lead the funeral prayer of the deceased upon receiving further details.

His Holiness (aba) also urged prayers for the Ahmadis of Pakistan. Ahmadis are always made targets for political gain. The Community is also facing threats from certain extremist factions. In fact, Ahmadis face a double threat wherever they are; on account of being a citizen and on account of being an Ahmadi. His Holiness (aba) said to pray for the Ahmadis of Rabwah and those living throughout the country; may Allah keep them in His protection, turn the evil back upon the evildoers, and may Allah the Almighty protect Ahmadis in every country.

May the world realise the reality that without turning to Allah the Almighty there is no other way. Their survival is in the recognition of Allah and those sent by Him. May Allah the Almighty enable them to do so.

FEBRUARY 16TH 2023

His Holiness (aba) said that he wished to say something about the current conditions in the world. The flame of war continues to spread. A great deal of prayers are required to save humanity from destruction. If Ahmadis truly pray, then they will be able to play their role in this regard. The Israeli government is set in its ways and they find some excuse or another to present at every instance and they are not prepared to accept any reason or rationality. The other powerful governments in the world start by saying that there should be a ceasefire, but then either of their own will or out of fear of Israel, respond to anything said by the Israeli government or its leader by agreeing with them. May Allah have mercy on them and turn them towards God Almighty. This is the only way these people can take refuge and protect their lives in this world and the next. May Allah the Almighty have mercy on them, enable us to pray, and have mercy on us as well.

FEBRUARY 23RD 2023

His Holiness (aba) said that once again, opposition against the Community has increased in Pakistan. Politicians and clerics who lost in the recent election or did not get the results they wanted are targeting Ahmadis in order to spread disorder. This has always been their way, whenever they fail, they target Ahmadis to gain popularity, and this is what is happening now as well. They do whatever they can to achieve their own interests. Hence, not only should Ahmais remain vigilant they should also focus more on offering prayers and giving alms. May Allah the Almighty keep Ahmadis safe. His Holiness (aba) also urged continued prayers for the Ahmadis in Yemen. May Allah the Almighty create ease for them. Many of them are imprisoned, may Allah create the means for their release. His Holiness (aba) also urged prayers for Palestinians; may Allah the Almighty have mercy on them and save them from the oppression of the big powers.

JALSA KHILAFAT

— REPORT —

By the sheer Grace of Allah, Majlis Khuddamul Ahmadiyya Canada had the pleasure of holding its National Jalsa Khilafat on Sunday, February 4, 2024. This Jalsa was special for the reason that Huzoor Anwar (may Allah be his Helper) had graciously approved Respected Abid Khan Sahib as a representative and chief guest and keynote speaker for the occasion, who travelled from London to attend and preside this blessed event.

In preparation for the Jalsa, Peace Village was decorated with beautiful lighting around Aiwan Tahir and Baitul Islam Mosque, as well as, alongside Ahmadiyya Avenue. This uplifted the atmosphere and brought about an excitement amongst the members of the Jama'at. Inside Tahir Hall, where the main session was held, Khuddam spent countless hours before the event hanging bunting flags above the seating areas to bring about a celebratory atmosphere and environment.

MAJLIS KHUDDAMUL AHMADIYYA CANADA

By the Grace of Allah, the day commenced with the offering of Fajr Prayer in Baitul Islam Mosque at 6:30 am. Thereafter, breakfast was arranged with our distinguished guest alongside the members of Amila of Khuddamul Ahmadiyya. After Fajr Prayer and breakfast, the National Amila and the Regional Qaideen of Majlis Khuddamul Ahmadiyya Canada had the opportunity to hold a special Suhbat Saliheen session with Respected Abid Khan Sahib at 9:30 am in the Al-Khidmat Boardroom (National Headquarters of MKAC), in which members were able to listen to the various incidents and instructions of Khalifatul Masih (aa), along with asking personal questions regarding Respected Abid Khan Sahib's interactions with Huzoor Anwar (may Allah be his Helper). Abid Khan Sahib shared various examples of the exemplary conduct and compassion that Huzoor Anwar (aa) shows to the members of the Jama'at and to those that are office bearers, and the sense of responsibility that he imparts in them.

After the Suhbat Saliheen session, at 11:30 am, the first guesthouse of Majlis Khuddamul Ahmadiyya Canada, 'Sarae Khidmat', which was graciously named by Huzoor Anwar (may Allah be his Helper), was inaugurated with silent prayers by National Amir Jama'at Canada, Respected Lal Khan Malik Sahib along with Respected Abid Khan Sahib. Huzoor Anwar (aa) also prayed for this guesthouse that, "May Allah the Almighty bless it." This was followed by a tour of the guesthouse along with small refreshments that were served to the guests and members of the Jama'at attending the inauguration.

Alongside the main proceedings of Jalsa Khilafat, two special exhibitions were also arranged for which members of the Jama'at could take part and gain knowledge & information from. With the sheer blessings of Allah and the prayers of Khalifatul Masih (may Allah be his Helper), this year Majlis Khuddamul Ahmadiyya Canada was able to hold a highly anticipated and unique exhibition on the second floor of Aiwan Tahir, pertaining to the Tabarrukat [blessed items] of the Promised Messiah (as) and Khulafa Ahmadiyyat. Members of the Jama'at from across the province, who were fortunate enough to have the blessed items of the Promised Messiah (as) and the Khulafa in their care, shared the experience for the benefit of the members of the Jama'at and gave permission to showcase them for the public.

By the Grace of Allah, more than 40 items were displayed in the exhibition. Special display cases were made for this purpose, along with printed labels giving a description of the items. There were also a few items that belonged to the companions of the Promised Messiah (as).

The list of Tabarrukat showcased in the exhibition were as follows:

- Cloth of the Promised Messiah (as) when he passed away

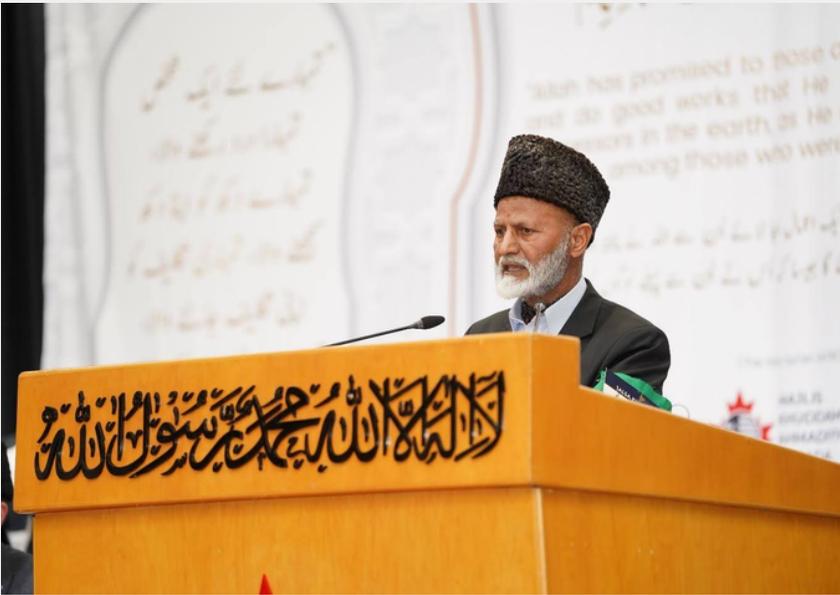

Initially, the Tabarrukat Exhibition was scheduled to run between 12 pm and 1:45 pm, but due to a high demand and number of Jama'at members eagerly wanting to visit the exhibition, a second showing of the Tabarrukat was scheduled between 6-7 pm. This was a first of its kind. Never has such an exhibition showcasing the Tabarrukat of the Promised Messiah (as) and his Khulafa ever been held at a National level, and at such large scale. Visitors could be seen taking photos of the various items and excitedly pointing to the items belonging to these blessed men of God. Many members who had brought the Tabarrukat from their personal collections also stood alongside the items to share information and give background details of how the items were acquired and came into the family. Alhamdulillah, more than a thousand members of the Jama'at visited the exhibition ranging from all ages; from Atfal, Khuddam & Ansar. It was highly enjoyed with many members showing a desire to hold such an exhibition again in the near future. Respected Amir Jama'at Canada and Respected Abid Khan Sahib were also given a tour of the exhibition, and showed great interest and appreciation of the work done by Khuddamul Ahmadiyya in gathering the Tabarrukat and showcasing them for the members of the public.

The second exhibition was set up on the third floor of Aiwan Tahir in Jamia Ahmadiyya and prepared by the students of Jamia Ahmadiyya on the theme of Khilafat Rashidah. It displayed in detail the history of Khulafa-e-Rashidah and the main events that occurred in the lives of each of the Khulafa. The intriguing visuals made it easy for members of all ages to understand and take benefit of the exhibition and gain a better understanding of various events and incidents from the lives of the Rightly-Guided Khulafa of the Holy Prophet (peace be upon him). Lunch was served alongside the initial timings of the exhibition, before the Zuhr & 'Asr prayers from 12:30 pm to 2 pm.

The proceedings of Jalsa Khilafat commenced after the Zuhr and 'Asr prayers. The gymnasium of Tahir Hall was filled to the brim, with overflow in Baitul Islam Mosque. After the permission of our Beloved Master, Hazrat Khalifatul Masih (may Allah be his Helper), the proceedings of this Jalsa were broadcast live on YouTube, enabling those across the country, and even outside of the country, to be part of this blessed occasion.

The transmission of the Jalsa began at 12 pm with pre-Jalsa interviews of various Murabbiyan on the importance and blessings of Khilafat. Similarly, live translations of the proceedings of Jalsa Khilafat were aired in three languages: Urdu, English, and French. The main proceedings of the Jalsa consisted of numerous Taranas & Nazms, an address by Sadr Majlis Khuddamul Ahmadiyya Tahir Ahmed Sahib, remarks by Amir Jama'at Canada Lal Khan Malik Sahib, and the keynote address by Respected Abid Khan Sahib highlighting various incidents of Hazrat Khalifatul Masih (may Allah be his Helper).

The climax of the event, and the fruits of the hard work of the members of Khuddamul Ahmadiyya was witnessed when Respected Abid Khan Sahib presented the gift of 'Salam' of Huzoor Anwar (aa) for the attendees of the Jalsa. It was a moment of great happiness for all the members of Jama'at to be given a special message by Khalifatul Masih. May Allah be the Helper of our Imam and may He grant him immense blessings. May Allah always make us the delight of our Beloved Imam's eyes. Amin!

Under the recommendations of Majlis Shura, special needs Khuddam and Atfal were also included and integrated in this Jalsa. The inaugural "SEND Accommodation Space" was established at the National-scale event of Majlis Khuddamul Ahmadiyya (MKAC) hosted at Al-Khidmat, the National MKAC Headquarters. This initiative aimed to provide inclusivity and support for individuals with disabilities, fostering an environment of accessibility and equal participation. The accommodation space served a total of 6 Khuddam and 1 Tifl who presented a combination of physical, communication, and intellectual disabilities. Each participant was provided with personalized support tailored to their specific needs.

Adequate provisions were made to ensure physical accessibility within the venue. Furthermore, the SEND Accommodation house had private live-streaming and spaces available for family members to accompany their respective family member. There were also a variety of games and activities along with food arrangements to ensure that the space itself catered to their every need.

Sign language interpreters were available to facilitate effective communication for participants with hearing impairments. Trained volunteers offered assistance and guidance to participants with intellectual disabilities, ensuring their comprehension and engagement throughout the event. We had a one fully licensed and trained Physician at the accommodation house at all times to ensure safety of the participants. By the Grace of Allah there were no safety concerns.

One of the highlights of the event was the incorporation of innovative features to enhance accessibility:

- Closed Captioning: Live captioning was integrated into the live stream, enabling participants with hearing impairments to follow along with the proceedings.
- Descriptive Audio: Descriptive audio narration was provided alongside the livestream, offering detailed audio descriptions of visual elements for participants with visual impairments.

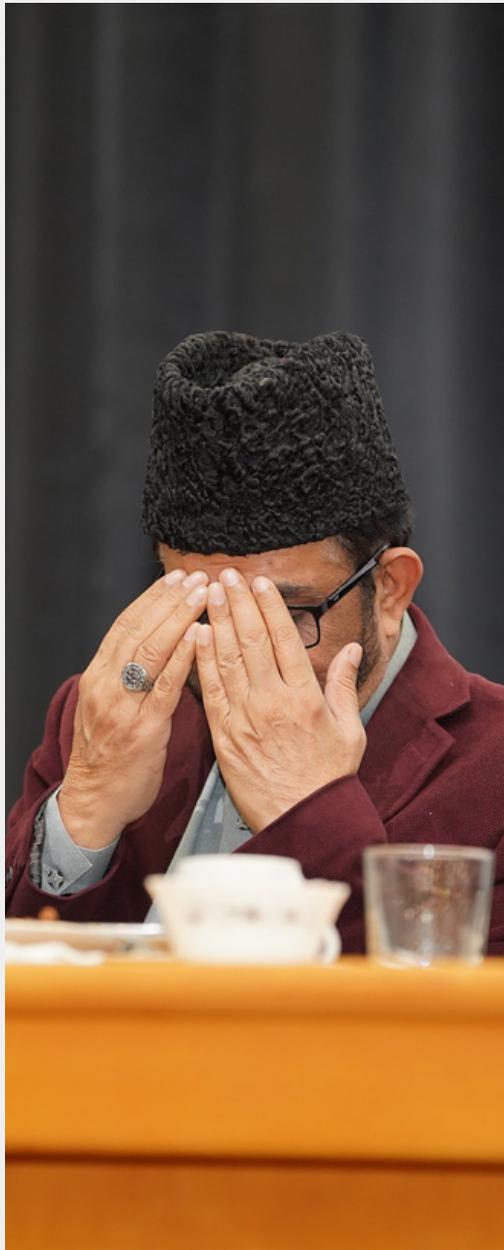

Feedback from participants and attendees overwhelmingly highlighted the positive impact of the SEND Accommodation Space. Many expressed gratitude for the inclusive approach, noting that it facilitated their full participation and enjoyment of the event. The initiative also raised awareness about the importance of accessibility and inclusion within the community.

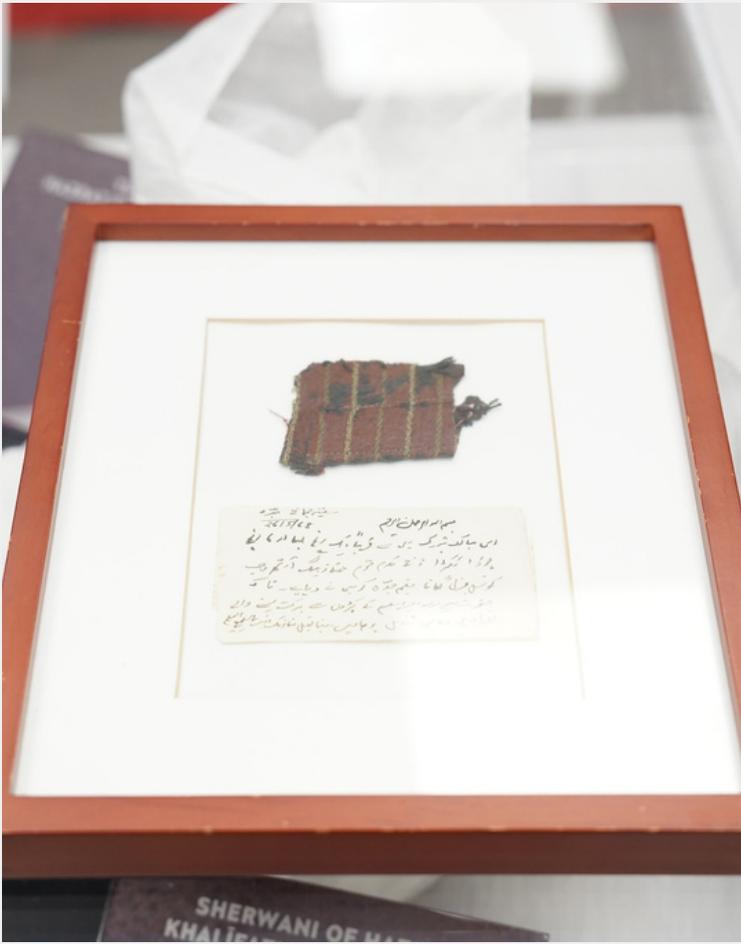

These special members were also taken to the exhibitions and were included in the entire proceedings of Jalsa Khilafat to their utmost capacity. By the Grace of Allah, these special Khuddam and Atfal were given an opportunity to take part in the events of Khuddamul Ahmadiyya, many of which had not done so in the past because of their disabilities. Families were extremely grateful for giving these Khuddam and Atfal the opportunity to be part of the event and making the necessary arrangements.

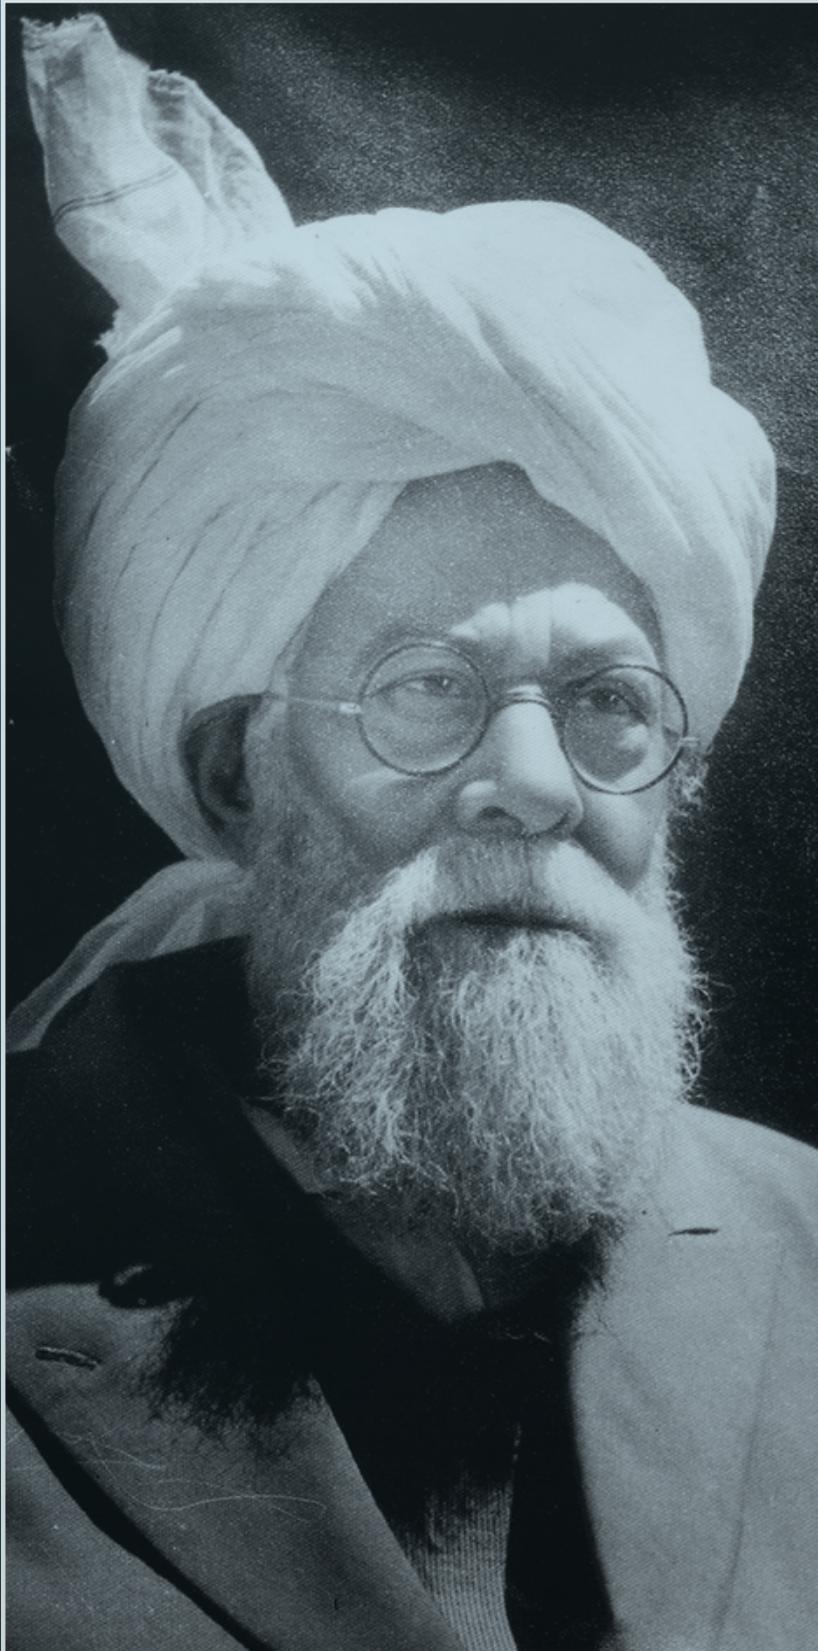

By the Grace of Allah, the number of attendees of this Jalsa Khilafat exceeded 3,000 members including 2,124 Khuddam, 600 Atfal, and 300 Ansar guests. Whereas, on YouTube, more than 13,100 views have been recorded of the proceedings of this Jalsa. With the prayers of Khalifatul Masih, the Khuddam attendance of this Jalsa was extraordinary.

In order to make this Jalsa successful, more than 330 volunteers from various departments offered their services, working diligently day and night to prepare for this blessed event in order to make it as successful as possible. Please keep all of the volunteers in your prayers that may Allah give us the ability to be the true helpers and servants of Khalifatul Masih. Amin!
